Prime Conduit

The Young Entrepreneurs Table, sponsored by Prime Conduit, was developed in 2021 by the Nazareth Economic Development Commission (NEDC) to create an opportunity for young people to explore business opportunities and develop their skills in order to create a sustainable business model for themselves. It also provides a

valuable outlet to gather customer reaction and input to the product that has been created. The young entrepreneurs that are awarded space at the NFM will have the rare chance to interact with customers in a vibrant market setting and will benefit from a built in customer base and existing NFM advertising. The NEDC recognizes the value of entrepreneurship and has committed themselves to supporting the development of new businesses.

If you are currently selling your product on an on-line platform or just creating something for family and friends, maybe it's time to take it to the next level. Join us at the Nazareth Farmers Market and discover what owning and operating your own business is about.

Introduction - It is recognized that although members of the NFM sell as individuals, the market is a cohesive unit. Its success depends on the cooperation and efforts of all vendors. As a valued NFM vendor, you are responsible for informing yourself and your staff about and following all regulations set by NEDC and government agencies as well as instructions given by an NEDC representative.

Please be sure to tag Nazareth Now, Nazareth Farmers Market and Prime Conduit on your facebook posts about your time at the Nazareth farmers Market. This will help increase your exposure and show some thanks to our sponsor, Prime Conduit.

Weather – NFM is open rain or shine and is rarely canceled due to inclement weather. In the event of extreme weather, the NEDC representative will decide if the market will be held. In the rare event that the market is canceled every effort will be made to reschedule a date for you.

Season – The NFM is in operation from May through October, Saturdays from 9 a.m. - 1 p.m., Center Square, Nazareth, PA

Marketing - Vendors are responsible for promoting their business. The Downtown Manager is responsible for promoting the market as a whole. The NEDC will highlight the Young Entrepreneur that is scheduled at the market that week. Young Entrepreneurs are encouraged to send updates and interact with NFM social media. Young Entrepreneurs are also encouraged to use their social media to market themselves and highlight their attendance at the NFM (those under 18 must comply with all applicable social media rules and restrictions)

Attendance The market begins at 9 am and closes at 1 pm, it is expected that your stand will be completely set up by then and operating until close. There are special days when we are open later in coordination with other local events. You will be notified of these well in advance if you are attending on one of these days.

Space Assignments - The Young Entrepreneurs

Table does not have a specific spot in the market. You will be given your exact set up location the morning of your scheduled date.

Signage - Vendors must prominently display a sign identifying the business by name. All descriptions of products must be accurate and clearly show retail price. Extra signage is encouraged to show product offerings to those driving around the square. The NEDC will provide a banner and a yard sign with the sponsor's name. These must be prominently displayed during your time at the market.

Arrival & Departure - Vendors must be fully set-up at least 15 minutes prior to the opening of the market and prepared to sell from 9 am until 1 pm (or opening and closing of the market).

Vehicles - Vehicles may not block walkways or mailboxes. Vehicles must be removed from the square at 9 am and will not re-enter the square until 1 pm. Vehicles will not be parked in the square during the market. These spaces are for our customers.

Garbage - Vendors are responsible for keeping their space clean and cleaning up after the market. Large quantities of refuse may not be disposed of in garbage containers. If anything a vendor sells or distributes produces trash, vendors will have a trash can available for customer use.

General - Vendors are responsible for the safety and behavior of their children. Vendor pets are not allowed. Vendors and staff are not permitted to smoke in the square. Cigarette butts must be disposed of properly. Young Entrepreneurs under 18 must have an adult on site for the duration of the market

Exclusivity - NFM doesn't offer exclusive rights to vendors to sell any product; our customers generally benefit from having a choice.

Products - NFM is a producer market. Items must be produced by you, unless otherwise approved. **Unfortunately the YET is not able to accept food vendors at this time.** PA Department of Agriculture has an intensive licensing and permitting process to ensure the health and safety of patrons at farmers markets and we must remain in compliance with their regulations.
