The following is Nazareth Economic Development Commission rules and guidelines for vendors at the Nazareth Farmers Market. Please retain these pages for you to refer to.

Introduction - It is recognized that although members of the NFM sell as individuals, the market is a cohesive unit. Its success depends on the cooperation, attendance and efforts of all vendors. As a valued NFM vendor, you are responsible for informing yourself and your staff about and following all regulations set by NEDC and government agencies as well as instructions given by an NEDC representative.

Weather – NFM is open rain or shine and is rarely cancelled due to inclement weather. Unless specifically instructed, participants must attend the NFM regardless of forecast. In the event of extreme weather, the NEDC representative will decide if the market will be held.

Annual Meeting – Full season vendors and alternating week vendors are required to attend a yearly vendor meeting in mid-March. It is anticipated that this meeting will be held in person, although an online option may be offered.

Season – Regular: May through October, Saturdays from 9 a.m. - 1 p.m., Center Square, Nazareth, PA

Special - optional attendance: Small Business Saturday (November 26, 2022), Christmas in Nazareth (December 3 or 10, 2022). Please note your interest in these events on this application

Marketing - Vendors are responsible for promoting their business. The Downtown Manager is responsible for promoting the market as a whole. Vendors are encouraged to send updates and interact with NFM social media. Vendors agree to participate to the best of their ability in activities that NFM conducts on behalf of the market.

Space Assignments - Prior to the first day of market season, vendors will be assigned spaces. Space assignments may be moved due to absences, inability to adhere to market hours, events, and fluctuation in overall market size. The Market Manager will attempt to accommodate vendor preferences for location but cannot guarantee a certain space or your space from previous seasons.

Attendance

- *First and last day of regular market season, attendance is required*
- Full time vendors will be limited to four (4) absences per regular market season
- Part-time vendors are responsible for keeping track of their scheduled dates
- Vendors must inform the NEDC representative in writing about a planned absence at least one (1) week in advance of the date of absence
- In the event of illness or unforeseen emergencies, the vendor must inform the Downtown Manager of their absence as soon as possible
- By majority vote of the NEDC, individual vendors may be approved for a different but regular attendance requirement as in the case of a single crop grower (e.g. corn, etc.)
- In extreme circumstances, attendance requirements may be waived on a case-by-case basis.

The attendance policy will be reviewed by the NEDC Board of Directors for the 2023 Season.

Booth - Vendors supply their own 10x10 tent, tables, table covering, breathable ground cover/mat and displays all in good condition. Vendors are responsible for securing tents to eliminate wind disruption.

Products

NFM is a producer market. Items must be produced by you, unless otherwise approved. *NFM will allow supplemental product: if it is not currently sold or is deemed by NEDC to be in limited supply at NFM. Items should have signage stating the business where the product is produced.*

Signage - Vendors must prominently display a sign identifying the farm or business by name and its location. All descriptions of products must be accurate and clearly show retail price. Extra signage is encouraged to show product offerings to those driving around the square.

Arrival & Departure - Vendors must be fully set-up at least 15 minutes prior to the opening of the market and prepared to sell from 9 am until 1 pm (or opening and closing of the market). Late Arrival/Early Departure requests must be submitted in writing, and will be limited to one per season.

Vehicles - Vehicles may not block walkways or mailboxes. Vehicles must be removed from the square at 9 am and will not re-enter the square until 1 pm. Vehicles will not be parked in the square during the market. These spaces are for our customers.

Garbage - Vendors are responsible for keeping their space clean and cleaning up after the market. Large quantities of refuse may not be disposed of in garbage containers. If anything a vendor sells or distributes produces trash, vendors will have a trash can available for customer use.

General - Musicians play at no cost to the market. Tips in the form of cash or product are encouraged. Vendors are responsible for the safety and behavior of their children. Vendor pets are not allowed. Vendors and staff are not permitted to smoke in the square. Cigarette butts must be disposed of properly.

Exclusivity - NFM doesn't offer exclusive rights to vendors to sell any product; our customers generally benefit from having a choice. But, if NFM believes the number of vendors offering the same or similar products is adequate or excessive, duplicate products may be denied. Vendors are accepted into the NFM annually and are expected to complete applications yearly.

Disciplinary Procedures - If a vendor violates a market rule or disregards instruction from NEDC representative, they will be issued a written warning. After three (3) written warnings the vendor's case will go before the NEDC for review. If exceeding maximum absences, no written warning will be given before going before NEDC for review. Repeated failure to adhere to any of the market rules or instructions may result in suspension from the market, fines, or immediate termination of participation in the market without refund of fees. The terminated vendor may apply in writing within seven (7) days for re-entry. The NEDC will consider the request within two (2) weeks of receipt of the request and respond within 21 days of receipt of the request. A two thirds 'yes' vote by the NEDC is required to be reinstated.

Liability - I agree to accept all liability and responsibility for any personal injury, property damage, loss, theft or any other harm suffered by myself or others arising from or otherwise incident to my participation in the market. I indemnify and hold NEDC and the Borough of Nazareth, and its officials, directors, employees and agents harmless against all suits, claims demands and losses including costs, expenses and attorney's fees incurred as a result of any act or omission, neglect or misconduct of the vendor during the market.
